

Senate File 320 - Introduced

SENATE FILE 320
BY COMMITTEE ON EDUCATION

(SUCCESSOR TO SSB 1226)

A BILL FOR

1 An Act requiring the board of directors of a school district to
2 develop and implement a comprehensive emergency management
3 plan.
4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 279.9C School safety plan.

2 Each board of directors of a school district shall develop
3 and implement a comprehensive emergency management plan that
4 addresses school safety, security procedures, and emergency
5 guidelines relating to school shootings, assaults, and other
6 incidences that threaten the safety and security of school
7 students and school employees. The emergency management plan
8 shall include training procedures for teachers and other school
9 employees and students and shall also include a plan to develop
10 and implement school-community partnerships, including mental
11 health service partnerships, in the local community.

13 The bill requires each board of directors of a school
14 district to develop and implement a comprehensive emergency
15 management plan that addresses school safety, security
16 procedures, and emergency guidelines relating to school
17 shootings, assaults, and other incidences that threaten the
18 safety and security of school students and school employees,
19 which shall include training procedures for teachers and other
20 school employees and students. The plan shall also include a
21 plan to develop and implement school-community partnerships,
22 including mental health service partnerships, in the local
23 community.
